Rosseter, Philip, 1575 (ca.)–1623. ... Songs from Rosseter's Book of airs ... [1923] (Card 2)

CONTENTS.—pt. I. Sweet, come again. And would you see my mistress' face? No grave for woe. If I urge my kind desires. What heart's content? Let him that will be free. Reprove not love. And would you fain the reason know? When Laura smiles. Long have mine eyes gazed.—pt. II. Though far from joy. Shall I come if I swim? Ay me, that love. Shall then a traitorous kiss? If I hope, I pine. Unless there were consent. If she forsake me. What is a day? Kind in unkindness. What then is love but mourning? Whether men do laugh or weep.

The Rosso fire trial, in the case of Victor Rosso and Mrs. Laura A. H. Rosso indicted for devising a scheme and artifice to defraud the Great American insurance company and Home insurance company, was held before the U. S. District court of the southern district of New York, Judge Henry W. Goddard presiding. The trial commenced June 8, 1931 and ended June 29, 1931. A verdict of guilty was returned against Mr. Rosso, but Mrs. Rosso was acquitted. On June 30, 1931 the court

passed sentence against the accused. The case was then taken to the U. S. Circuit court of appeals which affirmed the conviction of Mr. Rosso.

The civil trial, in connection with the contract of insurance on the Rosso art objects, destroyed in the fire of October 26, 1930, was held in the Supreme court of the state of New York, Mr. Justice Albert Cohn presiding. The action was instituted by Mrs. Laura A. H. Rosso, plaintiff, against the Great American insurance company. The trial started April 2, 1934 and on April 13, 1934, the jury brought in a verdict for the defendant insurance companies. The plaintiff's counsel moved to set aside the verdict. The court denied the motion and expressed the opinion that the verdict was a fair one.

Rostov -on-the-Don, Russia. Universitet.

In 1915, as a result of territorial changes, the Russian university of Warsaw (Imperatorskiĭ varshavskiĭ uniĭversitet) which had existed since 1869, was removed to Rostoff-on-the-Don, Russia where it was reestablished with its former personnel and equipment. At the same time a Polish university (Uniwersytet warszawski) was established upon the old foundation at Warsaw, being virtually successor to the earlier Polish university (1816-31) and the Szkoła główna warszawska (1862-69)

The Russian university has had the following changes of name since its removal to Rostoff: 1917, Donskoĭ uniĭversitet; 1920, Donskoĭ gosudarstvennyĭ uniĭversitet; 1925, Severo-kavkazskiĭ uniĭversitet (known also by the initials SKGU)

In the Library of Congress catalogue the publications of the university for the period 1869-1915 (in Warsaw) are entered under:
